Re: Western Clay Company
Limestone Mine
Sevier County, Utah

ACT-041-004

A discussion was held with Mr. Tom Robison, General Manager of the Western Clay Company, on August 31, 1976, relative to mines associated with Western Coal's grinding mill at Aurora.

Mr. Robison was informed of the reclamation law and left with all the pertinent materials so that he could file at his earliest convenience for a limestone mine near Redmond, Utah.
